

POWERING BUSINESS. EMPOWERING PEOPLE

FOR SALE

NEW WARTSILA MINING POWER HOUSE FOR SALE - DUE TO CANCELLED ORDER

Ideally suitable to upgrade or replace worn equipment.

This package consists of 10 (TEN) new complete skid mounted generating sets built in 2013 (un-used & never installed)

- ➔ 2 x 6L20 1110kw Engines Driving AVK Alternators 1765kva @ 60hz-@900rpm
- ➔ 6 x 8L20 1430kw Engines Driving AVK Alternators 2360kva @ 60hz-@900rpm
- ➔ 2 x 9L20 1665kw Engines Driving Marelli Alternators 2000kva @ 60hz-@900rpm
- ➔ Delivering a total of 21,690kva for the package running at 900 rpm 60hz
- ➔ The units can be used at 750 rpm delivering 17,500kva @ 50hz

Can be split to any combination of power required. Eg 4 x 8L20 running at 750RPM 50hz @ 85 % load factor will produce 5.1MW prime power. Will run on diesel and HFO-Large spares and ancillary package included. Exhaust silencers included.

Would suit an existing powerhouse with cooling and switchgear already installed. These units are considered state of the art power units preferred by more than 6000 ships and land based sets in operation with the same engines worldwide. The lowest Fuel Burn in the industry. Lowest cost per KW/HR. Extremely robust and reliable units capable of enormous running hours with minimal attention compared to 1500rpm Generators.
